

Masterkey Premium

Building on Masterkey Professional, Masterkey Premium does more than simply meet your real estate business needs. Masterkey Premium is designed to expand your real estate business and take it to the next level. Manage a multinational real estate portfolio, administer hundreds of staff and connect with global business partners anywhere, anytime with Masterkey Premium. Connect with users around the world to share and cross promote listings - all inside Masterkey.

Masterkey Premium gives you the power to:

- ✓ Achieve and exceed sales and revenue targets.
- ✓ Optimally organize and manage your business.
- ✓ Track, monitor and analyze transactions and sales performance.
- ✓ Make better, more informed strategic decisions.
- ✓ Achieve better financial management.
- ✓ Synchronize information between you and property portal partner.
- ✓ Enhance data security.
- ✓ Plan, execute and monitor marketing campaigns.
- ✓ Efficiently manage contracts.
- ✓ Save time and money.

Below are just some of the functions available in Masterkey Premium:

Manage properties in different countries

Manage your worldwide property portfolio easily and efficiently on a single platform online.

Build sales reports

Instantly build sales reports to track and analyze individual or team performances and KPIs.

Track payments in real time

Track all payments in real time to achieve better financial management.

Client to property auto-matching

Save time and deliver value to your clients by quickly matching them to their ideal property according to key parameters.

Customized letter generation

Add a personal touch to client letters by customizing all correspondences to your clients.

Automated commission claims

Streamline sales processes and save time and money with automated commission claims.

Text message updates

Take customer service to the next level by keeping your clients informed and in the loop with text message updates.

Call center support

Complement the Masterkey online support infrastructure with a dedicated call center to help you with your questions.

Masterkey Premium is designed to make everything easier and far more intuitive for everyone in your business.

Masterkey Premium is specifically designed to optimize and simplify your business. Masterkey Premium enhances communication throughout your organization. Realize true synergy by connecting offices, staff and partners around the globe allowing your business to truly think and work as one.

Designed with the serious real estate professional in mind, Masterkey Premium will steer your business towards the industry's best practices on one simple-to-use platform.
